

RRA report: AGM 21st Oct 2019

NW

We had 5 new road coordinators this year, 4 having stepped down.

Thanks to those who have stepped down , and thanks to the new members for giving of their time, and to those who have been continuing with us.

We sent out just 2 text alerts early in the year.

Liaison with the garda has not been good, despite our best efforts, so essentially we have been left to our own devices.

We send out reminder emails to members every so often, especially around holiday times, including ideas as to how best to look after their property, and to keep an eye out for neighbours who might be vulnerable.

Very few incidents have come to our attention, but 3 Cars were broken into on Belfield downs recently, it was reported to the garda. It seemed like an opportunistic operation.

Members who see anything that raises concern are encouraged to report it to their road coordinator and they will pass on the message via whatsapp.

This seems like a good time to review how we operate, and it is proposed to do so before year end.
