

PLANNING REPORT, AGM 19/10/20

What we do:

- We keep residents up to date on planning matters in the area, in particular OLG, the IGB and the Central Mental Hospital
- We keep residents up to date on other development/planning matters in the wider area, e.g. Dundrum Village, Council plans re. roads etc.
- We make submissions/observations on planning applications when appropriate.
- We make written and verbal submissions to any relevant public consultations relating to local planning
- We support residents, when appropriate, in attempting to achieve sustainable planning that would benefit the community

In 2020, we:

1. Supported local resident Michael Redmond in his undertaking of a Judicial Review relating to the SHD development planned for the OLG site
2. Highlighted the successful outcome of the Judicial Review, and the issues around this zoning type, with all DLR councillors
3. Submitted an observation regarding the planning application for the new schools in the IGB site
4. Held a meeting with the new principal of the secondary school that will be located in the IGB site
5. Submitted a document to DLR's Active School Travel Initiative to support OLG's Primary school's attempt to get pedestrian routes to the school improved.
6. Submitted a document outlining the Association's views regarding the development of the Central Mental Hospital site to the Land Development Agency.
7. Held a meeting with the LDA regarding our submission. We outlined our hopes for the site, and highlighted possible issues for the area.
