

## **Making an Observation to An Bord Pleanála on the Hammerson-Allianz SHD Plans for Dundrum Village**

The only opportunity for groups and individuals to comment on this major Strategic Housing Development is by making a written observation (sometimes referred to as a submission or an objection) to An Board Pleanála before the deadline of **5.30 pm on Monday May 9<sup>th</sup>**. All observations must be accompanied by a payment of €20\*.

An observation can be a simple, short, hand-written note or a more complex detailed submission with plans, photos and reports.

All observations must contain the reference number **313220** or the development address - Old Dundrum Shopping Centre, Main Street, Dundrum - and your name and postal address.

### **Written observations**

An observation can be hand-delivered or posted to An Bord Pleanála, 64 Marlborough Street, Dublin 1, D01 V902 accompanied by a cheque, Postal Order or bank draft for €20. (Cash and card payments are accepted at the counter for hand-delivered observations).

### **Online submission**

If you are making an online submission, you should prepare your written observation document in advance (include your name and address). An Bord Pleanála have available an observation form that you might find useful - [https://www.pleanala.ie/en-IE/Observation-on-a-SHD-Application-Public/Observation-\(SHD\)-Making-an-Observation](https://www.pleanala.ie/en-IE/Observation-on-a-SHD-Application-Public/Observation-(SHD)-Making-an-Observation) scroll down and click on 'observation form' at the bottom of the page.

When you are ready to submit your online observation go to <https://online.pleanala.ie/en-ie/housing/observation>.

1. Enter the reference number 313220 and upload your observation document.
2. Click on 'Next'
3. Enter your name and Email address
4. Click on 'Next'
5. If you are ready to submit select 'yes', select €20 fee, enter your card details (make sure the details are correct) and click 'Finish and Pay'
6. You will receive a confirmation message.

\*The more observations made the better, but you can cut down the cost of the observation by sharing with two or three neighbours or friends.
